Super Troy and Savings

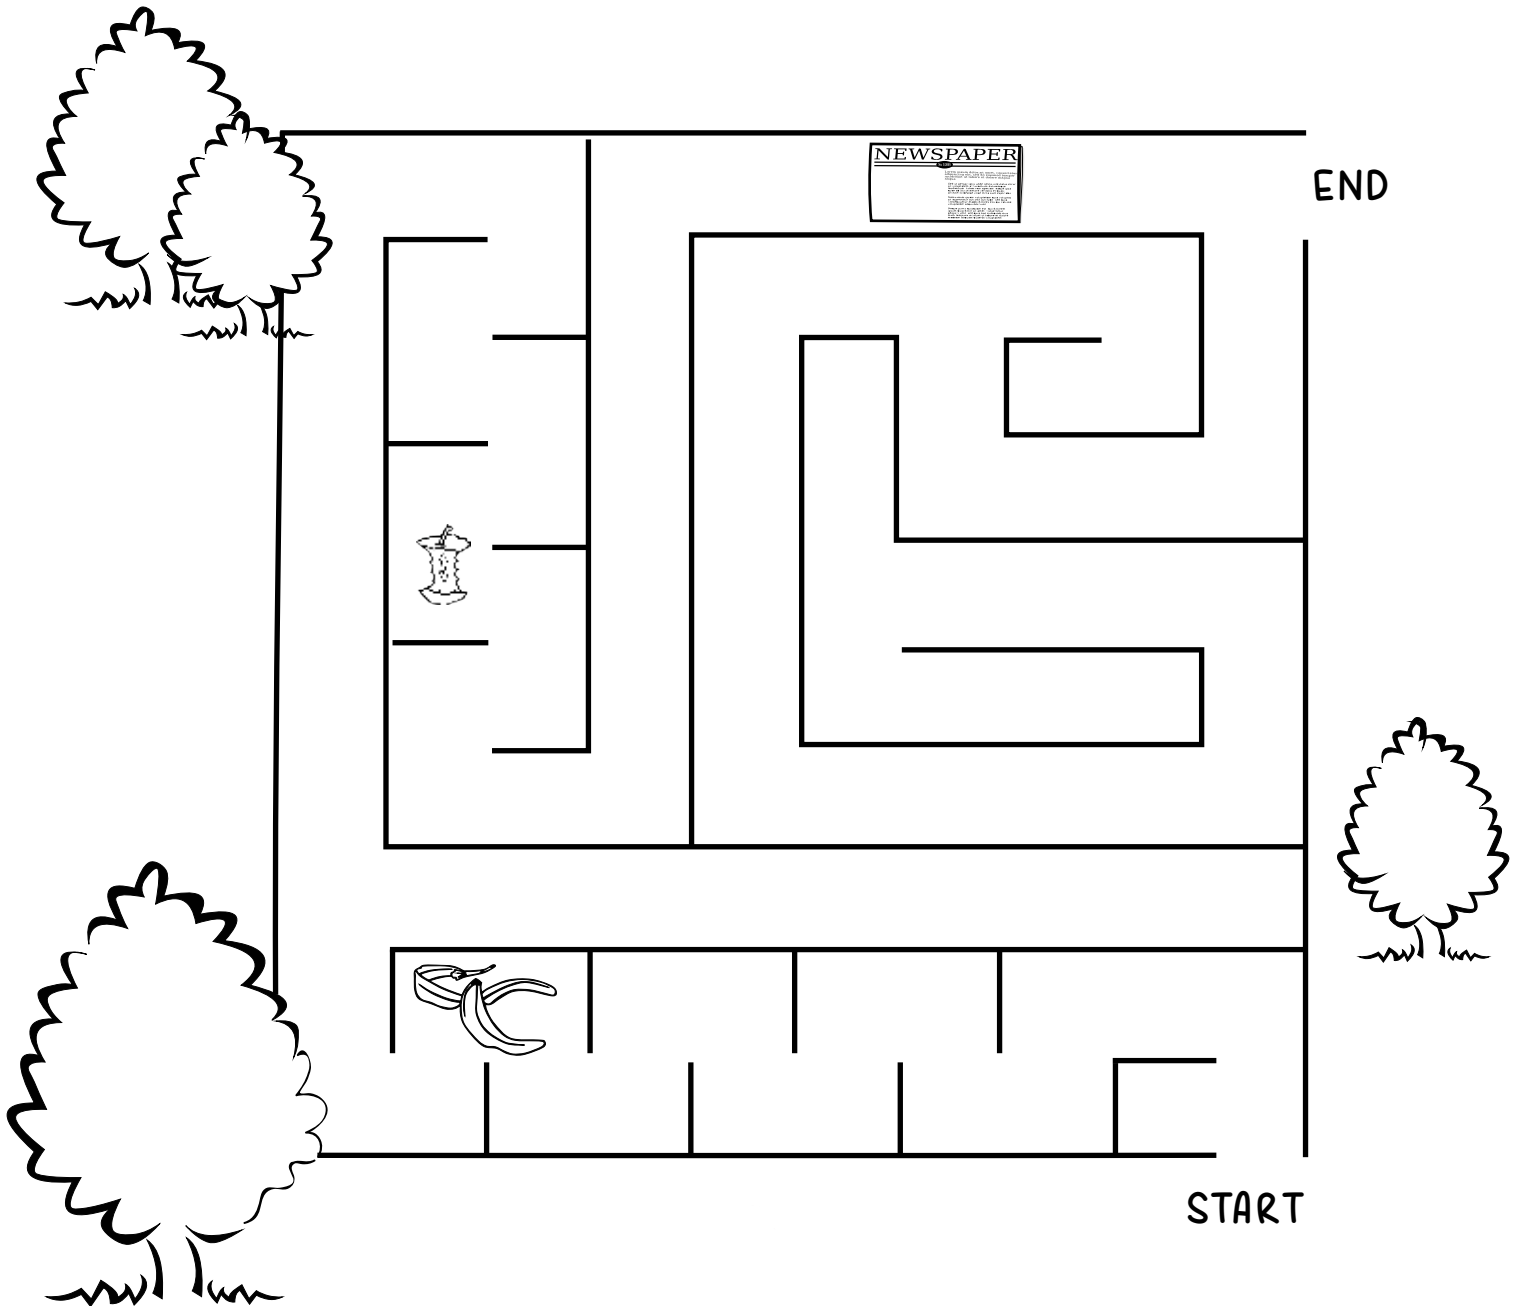

Super Troy has to earn \$10 to start his MyFirst Savings Account.

Every dollar bill and coin Troy earns, he gives to his piggy bank, Savings, to hold for him.

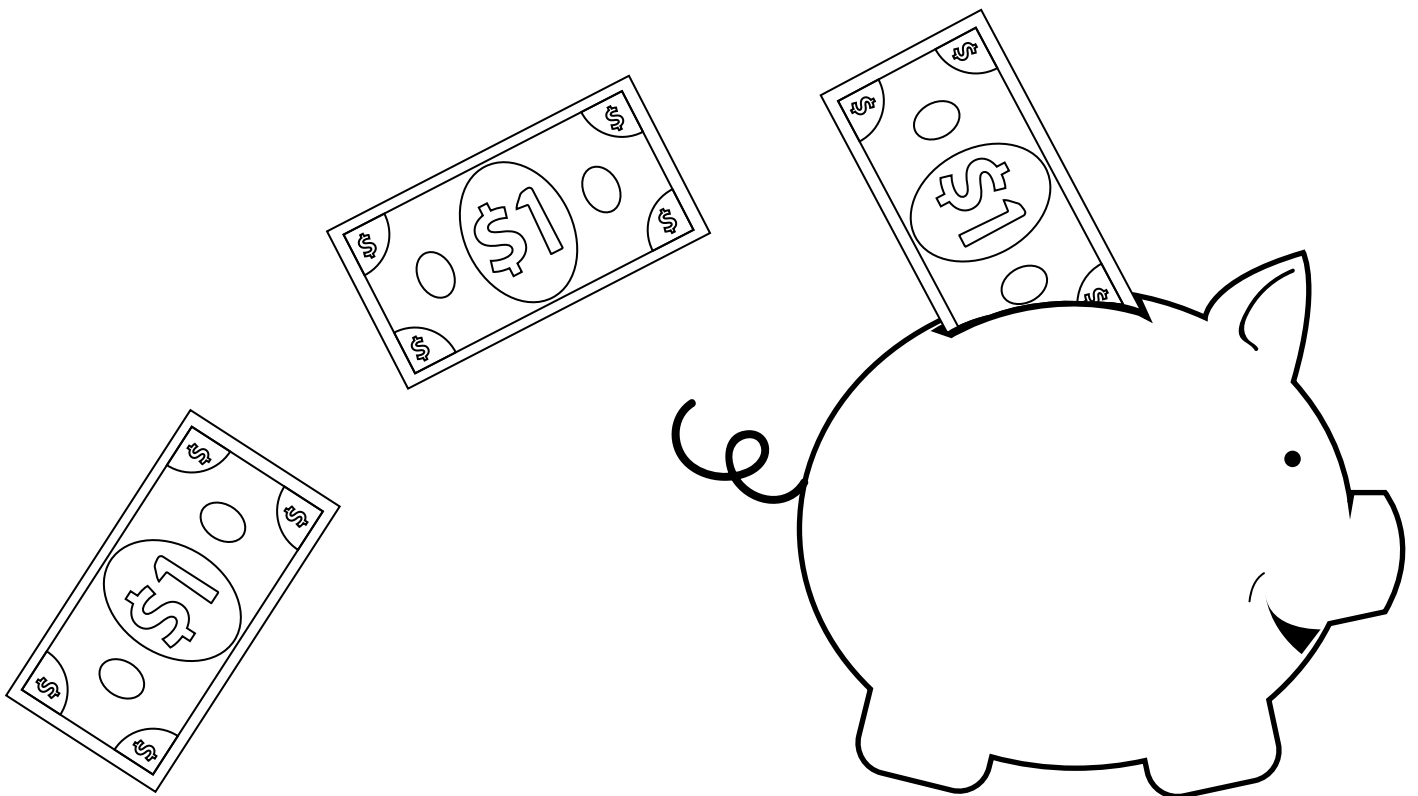

Super Troy's neighbor said she'll give him \$3 to pick up the trash in her yard.

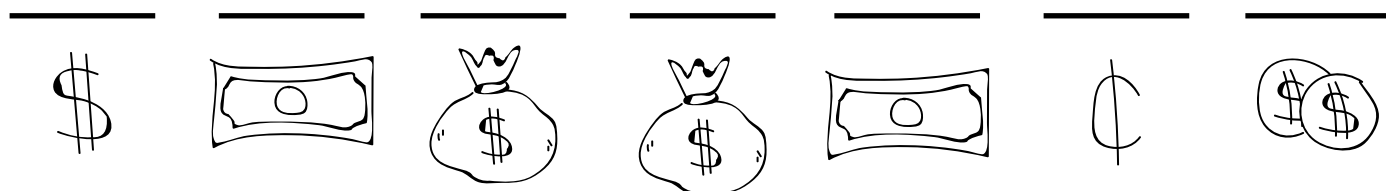

Can you help Super Troy and Savings pick up all of the trash?

**Super Troy and Savings just earned \$3!
How much more do they need to start
Troy's MyFirst Savings Account?**

$$\begin{array}{r} \$10 \\ - \$3 \\ \hline \end{array}$$

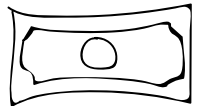

Savings and Super Troy go home so they can tell Troy's mom that they earned \$3. Troy's mom says that Troy can have 3 more dollars if he can solve the secret code below!

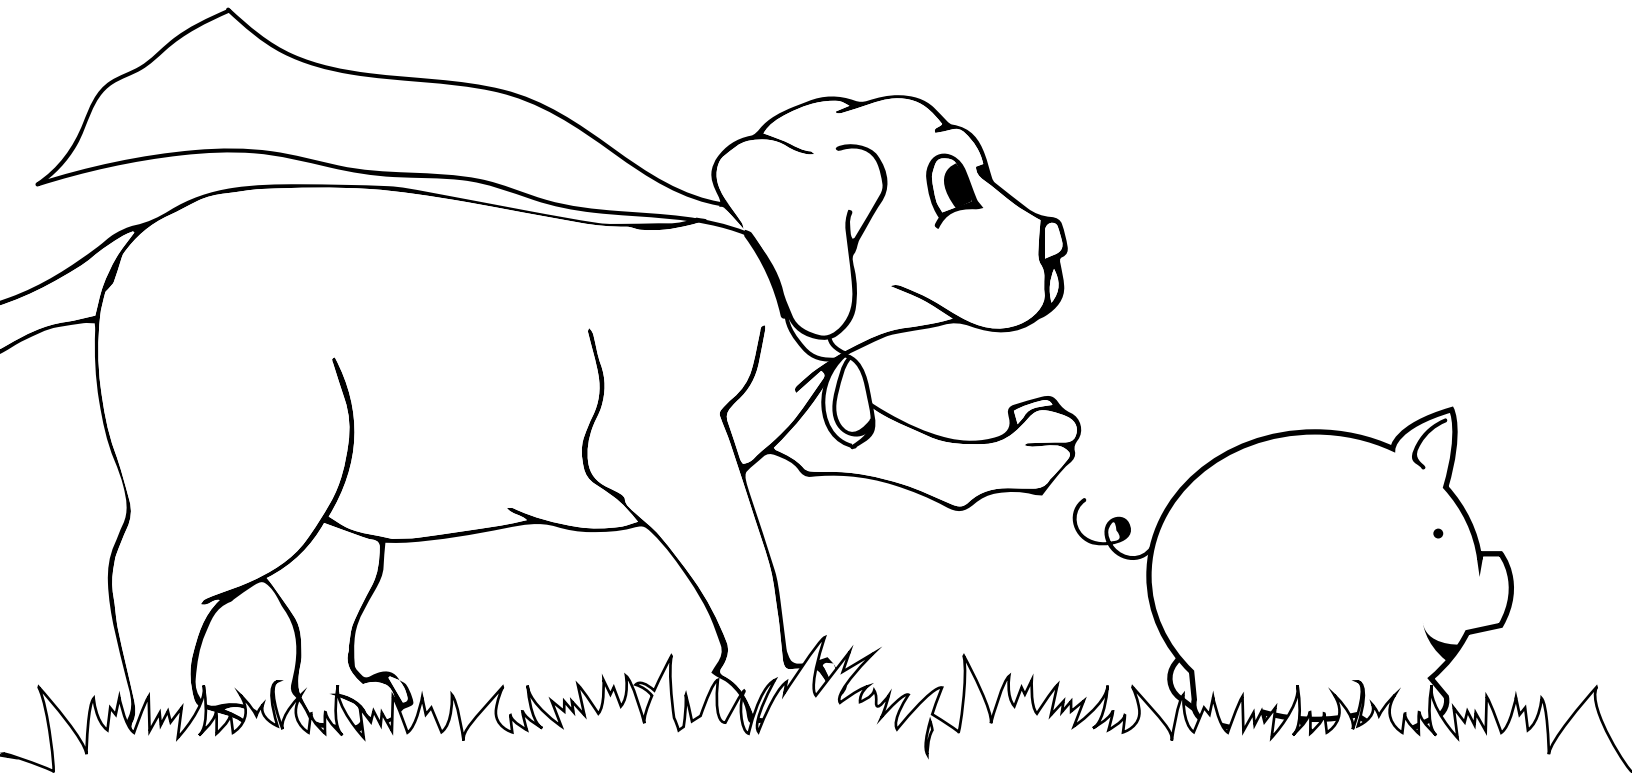

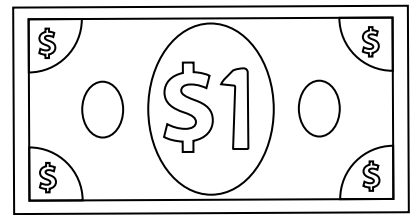

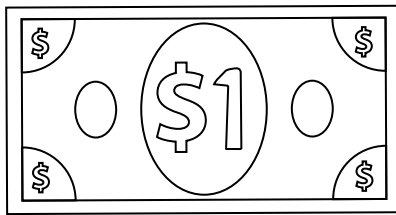

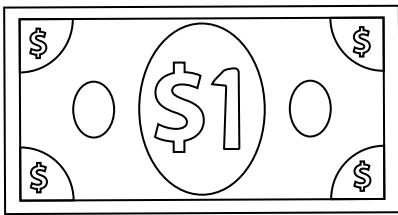

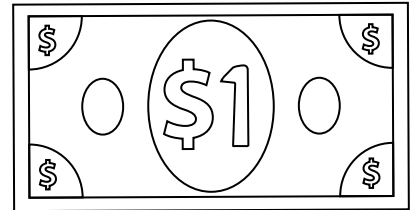

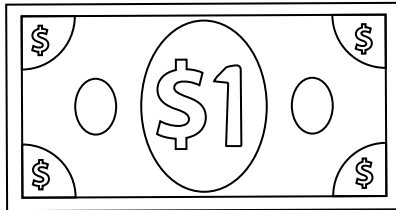

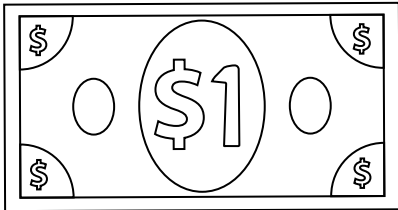

What do you call the friendly people who work at the bank counter and help you when you need to take make a deposit?

Nice work! Troy and Savings are very close to reaching their goal of \$10!

The amount of money they have is the same as the number of apples that Savings has eaten from the tree.

How much money do they have?

Troy's father is proud of all their hard work, and says he'll give Troy the final \$2 if Troy can help him with one last project.

**Congratulations! You guys did it! Super Troy
and Savings can finally start their
MyFirst Savings Account!**
