Responsibility

The Service provider shall use commercially reasonable efforts to process the Scheduled Payments per your instructions. First Bank Business Bill Pay Service Terms And Conditions

Setting Up and Maintaining Payees

To begin using the Service you will first need to establish at least one Payee in your Payee List. You may add, modify or delete Payees as necessary. It is your responsibility to manage your Payee List and maintain accurate Payee information, such as but not limited to the address to which the Payee specifies Payments are to be delivered, your account number with the Payee, the name on your account with the Payee, etc., except where the Service expressly indicates that it shall manage such Payee information, such as a Merchant's remittance address. Payees must reside or exist within the United States of America or its territories or commonwealths. The Service provider and/or the Financial Institution reserve the right to refuse or remove a Payee for any reason.

Setting Up Payments

To schedule Payments you must choose a Payee from your Payee List. You may schedule One-Time Payments, Single Payments and Recurring Payments to any of your Payees. It is your responsibility to cancel, skip, reschedule or revise a Scheduled Payment in accordance with the Payee's instructions to you, or as needed to ensure sufficient available funds in the corresponding Funding Account, or under circumstances where the Payee may return the Payment to the Service provider due to any reason outside the Service provider's or the Financial Institution's control. The Service provider and/or the Financial Institution reserve the right to refuse or cancel a Payment for any reason.

The earliest possible Due Date/Deliver By Date for each Payee will be determined and presented by the Service when you schedule a Payment. The Service will not permit a Due Date/Deliver By Date earlier than the earliest possible dates presented. The Service determines this earliest possible Due Date/Deliver By Date based on the number of Business Days required to deliver a Payment to the Payee, which is primarily affected by whether or not the Payee has agreed to accept remittance of Payments electronically (typically one or two (1 or 2) Business Days) or requires Payments be delivered by check (typically four or five (4 or 5) Business Days). A Payee's location or policies for posting and crediting payments may require additional Business Days. Payments scheduled after the Service's Cut-Off Time shall be processed no earlier than the following Business Day. Currently, the Cut-Off Time is 4:00 p.m. Eastern Standard Time, but the Service provider and/or the Financial Institution may change the Cut-Off Time without prior notice. If you designate a non-business date (generally weekends and certain holidays) as the payment's processing date, the payment will be processed the day immediately preceding or the business day following as indicated in the scheduled payment instructions.

You should carefully consider factors such as the Payee's date payment due, grace period, whether the Payee's date payment due falls on a non-Business Day, etc, when scheduling a Payment to avoid late payments and late fees. You must allow the necessary number of Business Days prior to the Payee's date payment due for each Payment, including each Payment of a Recurring Payment series. Some businesses take longer to post payments than others. You should consider allowing additional time for the initial Payment to a Payee through the Service in order to gauge the appropriate Pay Due Date/Deliver By Date in each case, and determine whether to allow an additional one (1) or two (2) business days to avoid incurring any late fee charged by the Merchant. It is your responsibility to schedule Payments appropriately and in accordance with the Payee's requirements. Neither the Service provider nor the Financial Institution shall be responsible for late payments, nor reimburse you for late fees, for any Payment delivered in accordance with your instructions, or as a result of a Payee's payment processing policies, or any other circumstance outside the Service provider's control.

When a recurring payment is processed, it is automatically rescheduled by the system. Based upon your selected frequency settings for the payment, a processing date is calculated for the next occurrence of the payment. If the calculated processing date is a non-business date (generally weekends and certain holidays), it is adjusted based upon the following rules:

- If the recurring payment's "Pay Before" option is selected, the processing date for the new occurrence of the payment is adjusted to the first business date prior to the calculated processing date.
- If the recurring payment's "Pay After" option is selected, the processing date for the new occurrence of the payment is adjusted to the first business date after the calculated processing date.

First Bank Business Bill Pay Service Terms And Conditions

If your frequency settings for the recurring payment specify the 29th, 30th, or 31st as a particular day of the month for processing and that day does not exist in the month of the calculated processing date, then the last calendar day of that month is used as the calculated processing date.

Payments to Payees, businesses or individuals, outside the United States of America or its territories or commonwealths, are prohibited.

Expedited Payments

The Service will allow you to make Expedited Payments using the funds in your Funding Account for a fee. An Expedited Payment may be delivered to the Payee via electronic fund transfer (ACH Debit) or paper check mailed through an overnight service depending on the Payees capabilities. Scheduled Payments are processed as batch transactions at the end of the Business Day. Expedited Payments, depending on the time the transaction was scheduled, may be processed with the Scheduled Payments, or immediately. Next day delivery of overnight checks may depend on the time of day that the transaction is scheduled, and is not guaranteed. There is a fee for processing Expedited Payment. These fees are disclosed in the Expedited Payment Terms and Conditions presented at the time of setting up an Expedited Payment.

Editing Or Canceling Payments

Any Payment can be modified or canceled, provided you access the Service prior to the Cut-Off Time on the Business Day that the Payment is going to be processed. Once a check payment is in-process, it cannot be canceled through the Service. Instead, you must contact Business Support at 866-435-7208 to request a stop payment. An electronic payment cannot be canceled or stopped if it is no longer in a scheduled status. A Recurring Payment may be edited or canceled after processing for the current Payment instance is complete. Expedited payments by check that are processed immediately due to timing may not be able to be stopped or cancelled.

Stop Payment

You may request to stop payment after a payment has been processed by contacting First Bank Business Support. The Service's ability to successfully stop payment depends on how the funds were remitted to the Payee and the elapsed time since the Payment was processed. The Service provider and the Financial Institution will make commercially reasonable efforts to stop payment per your request, but shall have no liability if unsuccessful. You may be charged a stop payment fee for each request.

Exception Payments

Tax payments and court ordered payments should not be scheduled through the Service. Except as required by applicable law, in no event shall we or our service provider be liable for any claims or damages resulting from your scheduling of prohibited payments.

Bill Payment Process

The Service will process Payments in accordance with the Payment instructions you provide. The Service will not process Payments on weekends or bank holidays. The Service will debit your Funding Account or issue a draft against your Funding Account, and deliver those funds to the designated Payee on your behalf such that the funds arrive as close to the scheduled Due Date / Deliver By Date as is reasonably practicable.

Numerous business and technical requirements determine if a Payee can accept Payments electronically, but in all cases Payments can be remitted by check. The Service provider shall have sole discretion to determine the appropriate remittance method. In order to process Payments efficiently and effectively, or otherwise comply with Merchants' remittance requirements, the Service reserves the right to change or update Payee data, or alter the method of Payment remittance. Neither the Service provider nor the Financial Institution shall be responsible for late payments, nor reimburse you for late fees, due to: a) U.S. postal delivery issues; b) electronic remittance network issues; c) your Payee's payment processing procedures; d) instances where the financial risk associated with the Payment requires check remittance instead of electronic remittance or additional Business Days to ensure sufficient funds in the Funding Account are available; or d) other circumstances beyond its control.

Authorization

When you schedule a Payment, you expressly authorize the Service provider and/or the Financial Institution to withdraw from your Funding Account the Payment Amount and to remit those funds to the designated Payee on your behalf, and additionally to debit your Funding Account for any applicable Service related fees. You further authorize the Financial Institution to credit your Funding Account for any payment returned from or undeliverable to the Payee. In addition, you certify that the Funding Account is an account from which you are authorized to make payments and incur debits.

If you do not have sufficient funds in the Funding Account and the Financial Institution has not exercised its right to reverse or reject a Payment, you agree to pay for such Payment obligations on demand. You further agree the Financial Institution, at its option, may charge any of your accounts at the Financial Institution to cover such Payment obligations.

You authorize the Service provider and the Financial Institution to contact your Payees to request appropriate adjustments consistent with your Payment instructions and/or as pertaining to the Service Guarantee and Responsibility, and/or to stop payment on any draft issued against your Funding Account in connection with the Service in the unlikely event that the Service remits funds incorrectly to any of your Payees, and/or to withdraw funds from your Funding Account in such event if you otherwise receive the benefit of the amount of such incorrectly remitted funds.

Returned Payments

In using the Service, you understand that Payments may be returned by or to the Service provider for various reasons including but not limited to: the account or account number at the Payee is not valid, the Payee address is not valid, the Payee returns or rejects the remittance item, the account at the Payee has been paid in full or has been turned over to another company or individual. The Service shall use commercially reasonable efforts to research and correct the returned payment, or void the payment and credit your Funding Account. You may receive notification from the Service.

There may be a charge for additional transactions and other optional services, such as but not limited to Expedited Payments, Gift Checks, Charitable contributions or Stop Pays.
